Boudreaux (Boo) is the last puppy of the litter from 7/20/21. He is champion bred working cow dog. We have the sire and dam on the premises and they help us tremendously with getting up cows, goats, etc. They are also our beloved pets.

The Sire is from the Championship Chilli Dog line from Gulf Coast Border Collies in Mississippi

The Dam is out of the championship Snowball/King line

We are in Valley Mills about a mile from Mosheim. Come see him. You will love him. He is already interested in the livestock and he is crate trained, and almost house broke. He has had his second set of shots and has been started on heart worm and flea prevention.
